Tax Policy

Primo Service Solutions Public Company Limited

Primo Service Solutions Public Company Limited and its subsidiaries (the "Company") are committed to conducting business with the highest standards of integrity and ethics, in accordance with the principles of good corporate governance. The Company also places great importance on responsible tax management and complies with the Revenue Code and all applicable tax laws and regulations with accuracy, transparency, and accountability. The Company has established the following Tax Policy:

1. The Company shall utilize available tax incentives and privileges efficiently in support of sustainable business operations, while ensuring that all tax practices are appropriate, lawful, and fully compliant with applicable tax regulations.
2. The Company shall cooperate with and respond to new government tax initiatives and regulations, taking into consideration the best interests of the Company and its stakeholders. This includes, but is not limited to, electronic tax systems such as e-Filing, e-Tax & e-Receipt, and e-Withholding Tax.
3. The Company shall prepare, file, and remit all taxes accurately, completely, and within the statutory deadlines prescribed by applicable laws and regulations.
4. The Company shall designate responsible tax personnel to oversee tax compliance and coordinate all tax-related communications with government authorities. Only authorized tax personnel shall represent the Company in tax matters to ensure the timely submission of accurate information and to enhance transparency in tax administration.
5. The Company shall conduct tax planning and assess tax implications associated with its business operations and investments to ensure proper tax compliance, transparent tax practices, and continuous disclosure of relevant tax information where appropriate.
6. In the event of any significant tax dispute that may materially affect the Company, the matter shall be reported promptly to the Chief Executive Officer (or the highest-ranking executive) for consultation and determination of the appropriate course of action.
